

# Design Patterns

## W3A1

**Topic:** - Create a class diagram of any project of your choice having at least 5 classes

**Description:** - This assignment covers a class diagram for **Study Ease**, an app published by me on the Play Store recently.

**Classes :** - There are several classes developed in this project.

1. User
2. Notes
3. Events
4. Admins
5. Reports

**Class Diagram:** -
